

Playscape: Shelter Design Competition

This Shelter is not the prettiest and until some new wooden seats were installed, it wasn't very comfortable either! However, we think we can give it a new lease of life: Nestled next to the future basketball & football practice area, with some quirky new companions (the old horse and roundabout will be repurposed into more seating), it's waiting for some planting and a lick of paint.

How do you think it should be painted?

Colour in the white areas with your design, submit it to Playscape and we'll choose a winning design in January, to be painted in the spring!
